Impressive innovations

- Perfect for the frequent traveller with its light and stylish design

- Captivating HP Imprints in sleek Espresso Black or shimmering Moonlight White

- Superb audio with SRS Premium Sound

- Intuitive, simple user experiences for pure entertainment and computing pleasure

- High-speed eSATA interface helps you connect, access and transfer data to external storage devices easily

ENTERTAINMENT ON-THE-MOVE

Now you can touch the future with the HP Pavilion dv3 Entertainment Notebook PC. Lightweight, sleek HP Imprint designs and a wide range of features encapsulate the ultimate mobile entertainment that fits easily into your busy schedules and bag. You can watch movies on your 13.3-inch diagonal LED widescreen display with the new 16:9 widescreen panel, or keep in touch with your friends and colleagues with the integrated webcam, dual digital microphones and more. Mobile computing and entertainment have never been more enjoyable.

13.3-inch HD Flush Glass Display*

Lustrous and deliciously sleek, the 13.3-inch HD Flush Glass Display spans the entire width of the notebook with no visible seams, leaving you to simply experience sharp and vibrant visuals.

* Varies by model.

Total entertainment

With everything in one place that's simply a click away, you can unleash your world of multimedia entertainment with HP MediaSmart software, giving you full control of your music, movies, photos and more.

HP ProtectSmart hard drive protection

The built-in HP ProtectSmart technology is a remarkable feature that automatically and effectively locks your hard drive, preventing the loss of your vital data, in case an accident happens. You can be assured of reliable protection for your personal information and media library.

Expressive inspiration

Drawing inspiration from liquid metallic industrial designs, the Espresso Black imprint pattern spins vibrant bursts of energetic impulses while the Moonlight White imprint pattern draws undulating lines across a clear space, revealing its delicate design.
